

## *Y11 Home Learning Timetable 2025-2026*

You will be set 35 minutes of homework in each subject. Please do your best in 35 minutes but do not spend longer. Science covers one each of Physics, Chemistry, and Biology per week. Homework will not be set for the following day and your teachers will notify you on Edulink. Please note that homework will only be set when it is beneficial to the learning and that GCSE coursework may take longer due to examination board requirements.
