

Director of Sixth Form

Dear Parents and Carers,

I am writing to let you know that, unfortunately, Ms Ganachaud is unwell and we anticipate that she will be away from school until January. As a staff we have sent her our very best wishes, and to support any students or parents who would also like to pass on their messages of encouragement we have made a digital "Get Well Soon" card which you can sign here: [Click here to sign Ms Ganachaud's card](#)

In her absence, I am pleased to confirm that Ms Allen will be taking on the role of Director of Sixth Form. Ms Allen is a talented member of our leadership team, with previous experience as a Director of Sixth Form in another setting as well as Associate Assistant Headteacher within our own Sixth Form team. She is therefore exceptionally well placed to support students, parents and the pastoral team, ensuring that our students continue to enjoy the outstanding Sixth Form experience we pride ourselves on.

All lines of communication remain the same via tutors and the Sixth Form administration team. The administration team can be contacted via sixthform@beaconsfieldhigh.school.

Thank you for your continued support.

Yours faithfully,

Tina Bond
Headteacher
