

Beaconsfield High School is 60!

Dear Parents and Carers,

A very warm welcome back to Becky High and to what promises to be a particularly special year for our school.

We begin the year with so much to celebrate. This summer, our students achieved another exceptional set of GCSE and A-level results, reflecting not only their academic ambition but the hard work, character and determination they bring to school every day. We are incredibly proud of them and of the staff and families who supported them.

And now we have another reason to celebrate: Beaconsfield High School is 60!

Since 1966, generations of girls have passed through Becky High, each contributing something to the school we are today. Throughout this year, we will celebrate that history while looking forward with just as much ambition to what our current students will achieve in the years ahead.

We want every student to feel part of our 60th birthday. Our celebrations will include a special 60th birthday badge for every student, birthday cake, a celebration with Butler's Court and a 60th birthday non-uniform day on Friday 9 October.

To help us provide these celebrations for all our students, we are asking families for a £6.00 voluntary contribution per child, payable via SCOPAY (www.scopay.com/beaconsfield). If you feel you may be eligible for financial support email pupilpremium@beaconsfieldhigh.school.

Your contribution will help cover the enamel birthday badge, cake and special birthday activities, and we would be very grateful for your support.

Our wider Becky High community will also be celebrating at our 'Disco Thru the Decades' on Saturday 17 October. This special 18+ evening will take us through six decades of music and is open to parents, staff, alumnae and friends of the school. It will be fabulous fun and I do hope to see many of you there! Tickets are available here: [BHS Thru the Decades](#)

Sixty years ago, the first Becky High students could not have imagined what all the girls who followed them would go on to achieve. As we begin this anniversary year, I cannot wait to see what this generation will contribute to our school's story.

Thank you, as always, for being part of our Becky High family and for helping us make this a birthday year that every student can enjoy and remember.

Here's to 60 years of Becky High – and to the next 60!

Warmest wishes,

Ms Bond
Headteacher
