

Year 7 Parents: Be Part of The New Sixth Form Centre at Becky High

Dear Parents/Carers,

Thank you for joining us for our Year 7 Meet the Tutor Evening last week. It was lovely to welcome you back to school, now that your daughter is settled into our school community.

I was excited to share the news about our new Sixth Form Centre, which breaks ground in January 2027 and opens in autumn 2027. While we have the funds to begin construction, we hope to raise an additional £150,000 to fit out the interior to the highest standard including a conference room, seminar room, common room and more.

With this in mind, we would like to invite you to a 45-minute information reception on one of the following dates:

Tuesday 24th November – in person

Tuesday 1st December - online

During these sessions you'll discover how your invaluable support can help us complete the 6th form facilities your daughter and her peers deserve.

The session runs from 18:00 to 18:45 and you can sign-up to your session of choice [here](#).

If you are unable to join us on either the 24th November or 1st December but would like to better understand how you can support this project, the link above also allows you to request 1-2-1 chat with Sarah, our Big Build Campaign Manager.

I hope you are able to give your time to find out more about this exciting project, the benefits for your daughter and the many ways you might be able to support.

Yours faithfully,

Tina Bond

Headteacher
