

Year 8 Enrichment Days 2025

Dear Parents /Carers,

I hope this message finds you well. We would like to inform you of a change to the schedule of activities for our upcoming three-day carousel event. While the dates of the event remain the same, the order of the activities has been adjusted. Each day will still include the same experiences, but they will now take place in a different sequence than originally communicated.

The change will have an impact on their return time to school on the day they go to the Zoo (The day will start at school at 08:50 as normal, and will be returning later, after the busses, at 17:15.) and what they will need to bring in and wear on the Careers & DofE day. The start time of each day is unchanged for all.
