

### **Year 11 Advice and Guidance Meetings 2026**

Dear Parents/Carers,

As we approach a crucial phase in your child's education, we are keen to provide support and guidance to ensure a smooth and confident transition into Sixth Form.

We will shortly be inviting Year 11 students who have formally applied to join Becky High Sixth to attend a Sixth Form Advice and Guidance meeting. Please note that these meetings are only for students who have applied to Becky High Sixth. Students who have not applied will not be invited to attend.

Depending on individual circumstances, students will meet either one-to-one or in a small group with a member of the Sixth Form Team and/or Senior Leadership Team. These meetings are designed to provide focused guidance on A Level choices, discuss aspirations and future pathways, and address any questions your child may have about Sixth Form study.

Your child will have received notification of their appointment via their school email this week if they have applied. We will also copy parents/carers into a reminder email the day before the scheduled meeting.

In previous years, these meetings have proven extremely beneficial in helping students clarify their goals and feel confident about their next steps. Our experienced staff are committed to ensuring that every applicant feels well-informed, ambitious and fully prepared for the challenges and opportunities of Sixth Form life.

We look forward to meeting with your child and supporting them as they plan this important next stage at Becky High Sixth.

Thank you for your continued support.

Yours faithfully,

**Ms Sian Allen**
