

### Virtual Year 10 Parents' Evening

Dear Parents/Carers,

We would like to invite you to attend our Virtual Year 10 Parents' Evening on Thursday 15<sup>th</sup> January from 15:00 - 18:30, where you will be able to discuss your child's progress, with a range of subject teachers. Please note that some appointments will be available to book outside of these times, due to the need for flexibility for some teachers.

Appointments will be held online and last five minutes each. Once booked, you will receive an email confirming your appointments. We aim to ensure that all parents/carers have an opportunity to book an appointment for core subjects: English, Maths and Science. Some subject teachers have multiple classes, if a teacher you would like to see is fully booked, please add yourself to the wait list, which we will monitor carefully. Once the booking system has closed, we will be able to allocate extra appointments where possible. Please note there is a limit of **8 appointments** per student, and the system will not allow you to book more appointments than this.

We give teachers the option of requesting a meeting with certain students' parents/carers, if they think this will be particularly beneficial. To ensure those families can secure an appointment in these circumstances, the meeting will be automatically generated, and you will receive confirmation of the appointment via email, please keep an eye out for these. If you then wish to change the reserved appointment time, you will be able to do this when the system goes live. These will be booked on the Priority 1 contact so please check all accounts.

We would like to reassure you that if teachers had any concerns, they would be proactive about contacting you, rather than waiting until Parents' Evening. There is lots of information on our new website about [our curriculum](#), so you can better understand what your child has been learning this year, and how knowledge is built throughout the key stage.

**Please note the following** if relevant for your child. To create more capacity:

- You will be able to book with either 1 or 2 Science teachers only, but they will cover all three subjects, Biology, Chemistry and Physics.
- Where classes are shared you will only be able to book with one teacher not both.
- Art being the exception where you will be booking with Mrs Mylett and Ms Holland who will see you together.
- If you are unable to book a Business appointment with Mrs Sabharwal, please add yourself to the waiting list and we will be in contact.

#### **How to book your appointments:**
