

Enrichment at Beaconsfield High School

Dear Parents/Carers,

I am delighted to let you know about the fantastic opportunities available at Beaconsfield High School this academic year.

Alongside their academic lessons, students will have the opportunity to take part in several trips and visits, as well as events at school to support them with careers, personal development and well-being. Whilst academic lessons are important, students will be encouraged to get involved in activities across the school. Taking part in co-curricular activities help develop their soft skills and gives students the opportunity to meet students from other year groups.

Tomorrow, Tuesday 15th September, we will be hosting our annual co-curricular fair in the sports hall at lunch time. This allows students to see the clubs on offer and see what they might like to take part in. We have a fantastic range of clubs with many student-led clubs. A full list of the clubs on offer will be published on the school website and on the notice board in Edulink for students to have a look through the options available.

Unlike primary school, most clubs do not have a limit on places. At the co-curricular fair, students will be signing up to express an interest to help club leaders plan accordingly and they will not receive an email to confirm they have a place. If students miss signing up, then they should turn up to the first session.

There are a few clubs that require a financial contribution, and should your child be interested in these, you will receive a letter outlining these costs. If there is a club with a set number of places, your child will be notified whether they have a place as soon as possible. The newly formed Bee club will not be accepting new members until after half term due to the competitions taking place in the first half of term with the current beekeepers.

PE clubs have started and students have spent time in lessons going through what is on offer; music clubs begin on Wednesday 16th September with all other clubs commencing on Monday 21st September.

If you have any questions regarding clubs, please do not hesitate to contact me via the school office and I can direct your query to the relevant member of staff.

Yours faithfully,

Mrs Catherine Bowden

Associate Assistant Head (Co-curricular & Academic Pathways)

Head of Performing Arts & Head of Music
