

Year 13 Online Information Evening

Dear Parents/Carers,

As we approach the final months of Year 13, we would like to ensure that both students and parents/carers feel fully supported during this crucial time. To that end, we are hosting a Year 13 Online Information Evening on **Wednesday 11th March, from 18:00 - 19:00**.

This session is designed to provide valuable information and guidance on the next steps for our students as they prepare for their future beyond school. The event will cover the following key areas:

- UCAS Next Steps and Results Day – providing an overview of the final stages of the UCAS process, including what to expect on Results Day, the Clearing process, and the support available to students.
- Exams Preparation and Expectations – discussing strategies for effective revision, managing exam stress, and maintaining focus as students approach their final assessments.
- Balancing Well-being and Academic Demands – as students navigate these last few months, maintaining a structured routine, attending all lessons, and staying engaged is essential. We will explore ways parents and carers can support their child's well-being, encourage a healthy work-life balance, and make the most of the time left before their final day on 6th May.
- Student Finance Talk – A representative from the Lancaster University will deliver an informative session on student finance, covering tuition fees, maintenance loans, and essential deadlines.

We are incredibly proud of our Year 13 students and their dedication throughout their studies. This session aims to ensure they feel prepared, confident, and supported as they take these next important steps.
