

### Virtual Year 8 Parents' Evening

Dear Parents/Carers,

We would like to invite you to attend our Virtual Year 8 Parents' Evening on **Thursday 26th March 2026**, from 15:00 - 18:30, where you will be able to discuss your child's progress, with a range of subject teachers. Please note that some appointments will be available to book outside of these times, due to the need for flexibility for some teachers.

Appointments will be held online and last five minutes each. Once booked, you will receive an email confirming your appointments. We aim to ensure that all parents/carers have an opportunity to book an appointment for core subjects: English, Maths and Science. However, some subject teachers have multiple classes, so if a teacher you would like to see is fully booked, please add yourself to the wait list. Once the booking system has closed, we will be able to allocate extra appointments where possible. Please note there is a limit of **8 appointments** per student, and the system will not allow you to book more appointments than this.

We give teachers the option of requesting a meeting with certain students' parents/carers, if they think this will be particularly beneficial. To ensure those families can secure an appointment in these circumstances, the meeting will be automatically generated, and you will receive confirmation of the appointment. If you then wish to change the reserved appointment time, you will be able to do this when the system goes live.

We would like to reassure you that if teachers had any concerns, they would be proactive about contacting you, rather than waiting until Parents' Evening. There is lots of information on our new website about [our curriculum](#), so you can better understand what your child has been learning this year, and how knowledge is built throughout the key stage.

**Please note the following** if relevant for your child. To create more capacity:

- **English** appointments for Miss Lillitou and Ms Fernando will start at 13.30 to allow enough time to see all students.
- **Science** appointments will be split between one or two teachers, ensuring enough availability.
- **Drama** appointments will be with Mrs Flanagan or Mrs Grantham.
- **Music** appointments for **8A** will not be available initially but will be released later in the process, we will keep you updated.

#### **How to book your appointments:**

The booking system will **open on Friday 13th March 2026 from 19:00 and will close on Sunday 22nd March 2026 at 23:55.**
