

Additional Biology Easter Revision Session

Dear Parents/Carers,

We are delighted to be able to offer an additional Biology Easter Revision Session with Mrs Illingworth-Law. This session will run side by side with Dr Reynolds session on Wednesday 8th April, 10:00 – 15:00.

As previously advised the cost of a whole day course is £49.50, you can book your child's place by making the payment via SCOPAY (www.scopay.com/beaconsfield) by **09:00 Wednesday 17th March**. Your payment will also serve as your parental permission for your child to attend. Numbers will be limited due to classroom size, if we go over the limit, places will be allocated via a random ballot, or if there is not enough interest in a particular session then it may not be able to run.

For those of you that have already paid for the session with Dr Reynolds, your place is secure.

If you feel you may be eligible for financial support please email pupilpremium@beaconsfieldhigh.school or if you are having difficulty meeting payment deadlines and wish to discuss a payment plan please contact trips@beaconsfieldhigh.school.

As always, please do not hesitate to reach out to us if you have any questions or concerns. Working together is the best way we can support your child's learning.

Yours faithfully,

Emma Pritchard
Deputy Headteacher
