

### **Application to Sixth Form - September 2026 Intake**

Dear Parents/Carers,

Please discuss this letter with your child if they are considering applying to another school or college for sixth form.

Should your child be considering making applications to sixth form or college places elsewhere, we will be asked to support the application by providing Gradecard data. Due to GDPR, this information can only be released with your child's permission.

Unless we are informed otherwise, we will assume that your child is happy to release their Gradecard data to Post 16 institutions.

If they wish to opt out of having their Gradecard data released, they should let us know by no later than **31st October** via the link [here](#), otherwise no action is required.

If your child needs to give a school email address for reference requests, please ensure they use [pastoralhub@beaconsfieldhigh.school](mailto:pastoralhub@beaconsfieldhigh.school).

Yours faithfully,

**Mr Stuart Robson**  
Head of Year 11  
cc Students
