

Language Booklets

Dear Parents and Carers,

We are excited to start the year with Year 7s in the Language Department. I wanted to take this time to ensure you are aware of the resources that your child needs for this academic year. These will also be discussed in class with the students.

We have released an updated vocabulary and grammar book for each Language, and the price for two handbooks is £4.00. These are payable via SCOPAY (www.scopay.com/beaconsfield) by 28th September 2025. Once you have paid, your child's class teacher will hand them their handbooks in a language lesson.

As we do not issue textbooks to the students, these vocabulary and grammar booklets have been created to ensure that students have the module vocab, key grammar information, grammar activities with them at all times. For your reference, we follow the Studio Rouge: Pearson Course for French, the Viva Rojo: Pearson Course for Spanish and the Cambridge Latin Course Books for Latin. Students will have access to the online version of the textbook, and this will be explained to them in class.

We do not expect students to have a dictionary in lessons. In lessons students can use their devices to access www.wordreference.com or Collins Reverso dictionary; both are great online dictionaries.

We would also like students to purchase a "small notebook" for their language lessons, this will be specifically for the listening and comprehension questions and rough work. This can be a straightforward A5 sized notebook. They can use the same notebook for both their languages.

Parents often ask us how they can support their child in their language journey with us. Our recommendation for language study is little and often, so please do encourage them to do this. Your child will be joining a school quizlet group which will be full of vocabulary and grammar, they should be aiming to spend some time on here each week in addition to their set homework. Please also ask them about their language lessons; what they have learnt and what they have enjoyed.

In summary, we would like all students to be fully prepared with the following: two handbooks (payable via SCOPAY) and any small notebook of your choice, as soon as possible.

If you feel you may be eligible for financial support please email pupilpremium@beaconsfieldhigh.school.

Yours faithfully,

Lauren Manley
