

GCSE & A-level PE EverLearner Subscription

Dear Parents/Carers,

As you will be aware, your child is studying either GCSE or A Level PE this year. The examined element of both courses contributes significantly to your child's overall grade and is therefore crucial to achieving strong overall results.

To support students in their learning of theory content and exam preparation, in recent years we have been using an online platform called The EverLearner. This platform provides high-quality, self-guided learning through tutorial videos, quizzes, self-marked questions, and tailored end-of-unit exams. It has proven to be a highly effective tool to help students revise and prepare for their exams.

Students use the platform to revisit content at their own pace, revise more effectively, and gain confidence ahead of their exams. Teachers also use it to set homework, to monitor student engagement and enhance classroom learning through its interactive features.

In order to fund this resource, we are kindly requesting a contribution of £10.50 per student for access during the upcoming academic year.

Please find below links to guides and videos to help both students and parents/carers make the most of the platform:

If you feel you may be eligible for financial support email pupilpremium@beaconsfieldhigh.bucks.sch.uk. Where Sixth Form students are entitled to 16-19 Bursary, we ask that the students make the payments out of the money received from the bursary.

If you are having difficulty meeting payment deadlines and wish to discuss a payment plan, please contact trips@beaconsfieldhigh.bucks.sch.uk.

Thank you for your continued support.

Yours faithfully,
