

Year 11 GCSE Food & Nutrition Donation

Dear Parents/Carers,

As part of the GCSE Food & Nutrition course your child will be undertaking a series of practical activities. Students will need to supply their own ingredients for their controlled assessment work however, on occasion we provide them with a range of disposable materials which students sometimes forget to bring or find difficult to obtain. In addition, we have purchased individual log-in applications for a specialised ICT 'Jenny Ridgewell' package which students use throughout their coursework.

To allow us to continue to offer these high-quality resources we ask for an annual contribution of **£12.00**. Your contribution directly funds the specialist materials and resources your child will use throughout the year. With your contributions, we are able to secure materials and software at a lower cost and ensure that students have access to everything they need at their convenience here in school – the alternative being that parents would have to go to the effort and expense of sourcing materials and software at public retail prices.

We must stress how vital your contributions are to the department. By contributing, you are directly investing in your child's academic success and providing access to the highest standard of education and resources that we as a school are proud to provide. **Without universal parental support, we will be unable to sustain the high standard of provision that students deserve.**

We ask for a voluntary contribution of £12.00, via SCOPAY(www.scopay.com/beaconsfield) please make the payment by **6th October 2025**.

If you feel you may be eligible for financial support email pupilpremium@beaconsfieldhigh.bucks.sch.uk. If you are having difficulty meeting payment deadlines and wish to discuss a payment plan, please contact trips@beaconsfieldhigh.bucks.sch.uk.

Thank you in advance for your contribution. It is absolutely essential and greatly appreciated.

Yours faithfully,

Mr Rea

Teacher of Food & Nutrition
