

BEACONSFIELD HIGH SCHOOL

Limitless Ambition

Number Day – 5th February 2026

Dear Parents/Carers,

On Thursday 5th February, Beaconsfield High School will be celebrating national Number Day, a day set up in order to raise money for the NSPCC charity (<https://www.nspcc.org.uk/what-we-do/>) whilst emphasising the importance of numeracy in and out of school. There will be a treasure hunt activity for some year groups, where points won will contribute to our inter-house competition.

For a donation of £2.00 (or more!) we invite pupils to wear their own clothes. However, because we are celebrating Number Day, we encourage pupils to dress up, with either a number on their top, or inspired by the theme of 'Numbers'. For example, pupils could dress up with a rugby shirt, football top, or be more creative.

We ask for the donations for non-uniform to be paid via SCOPAY (www.scopay.com/Beaconsfield), this will be available on your account from **Wednesday 28th January - Monday 9th February**.

Please encourage your child to be as creative as possible so we can make Number Day a huge success.

Yours faithfully,

Mr S Rehman and the Maths Team
