

Global Citizens Week

Dear Parents/Carers,

As we approach the end of a busy and productive first half term, I would like to take a moment to commend our students and BHS community for their enthusiasm, and commitment to learning and community life at BHS. This half term has seen several moments of collaboration, for cultural and religious events as well as several awareness days, such as Rosh Hashanah, Diwali, Navratri, Black History Month, Mental health awareness, Dyslexia awareness, to name but a few. I would also like to express my gratitude to all of you who contributed to our EDI calendar.

I am delighted to share that when we return after the break, we will be celebrating our third Global Citizens Week a celebration of culture, community, and connection, taking place from Monday 10th to Friday 14th November 2025.

This year's theme invites our students and staff to engage deeply with global perspectives through a series of exciting events, including our Global music and Food Festival, Global debates, Global and sustainable fashion show and Cultural Dress Day on Friday 14th November. These activities remind us that learning extends beyond the classroom it is about understanding the world, our shared humanity, and the values that connect us all.

We are also proud to announce that Beaconsfield High School has been awarded the Bronze Global School Award by the Global School Alliance, recognising our school's commitment to nurturing globally minded, compassionate and inclusive learners. This achievement reflects the hard work of our students, staff, and wider community in building a culture that celebrates diversity and global awareness.

Global education is very important to BHS. It aligns perfectly with our Cultural Pillars, which continue to guide and inspire us.

As part of the celebrations, we warmly invite parents and carers to support their child in preparing and sharing a dish from their cultural heritage or a country that inspires them for our Global Food and Music Festival. Each dish will contribute to a shared experience of thus encouraging curiosity, dialogue, and appreciation of diverse traditions. We would also appreciate your support in helping your child assemble their cultural attire for both cultural dress day and to take part in the Global and sustainable fashion show. Friday 14th November, is a non-uniform day, students are also encouraged to take part in our Cultural Dress Day/ celebrating the beauty of global fashion and self-expression.

Through initiatives like Global Citizens Week, we continue to build a school community where our student feels seen, valued, and inspired to make a difference both locally and globally. This celebration of our Bronze Award achievement is a reminder that together, we can model unity, creativity, and shared humanity in everything we do.

Thank you for your continued support in helping us make Beaconsfield High School a truly inclusive and globally connected community.

Yours faithfully,

Caroline Anukem
