

Year 10 Information Evening

Dear Parents/Carers,

As Year 10 is a very important year both academically and emotionally for our students and their families, we would like to invite you to an online information evening about Year 10 and how we can work together to support your children. The evening will include:

- An overview of key dates and events.
- Some key information from our Special Educational Needs Co-Ordinator regarding Exam Access Arrangements.
- A reminder of the pastoral and academic support available in school.
- Some subject specific information about revision resources and interventions.
- Signposting of resources about how to support your child.

We would also like to give you the opportunity to have your questions answered. However, to ensure that the evening runs smoothly, we are asking for questions to be submitted in advance. On the evening itself, the chat function will not be open – so if you have questions or queries, please do submit them [here](#). If several similar questions are submitted, we may answer them as a composite. Similarly, if a question is asked which is already being addressed in the content of the presentation, we may not specifically frame and answer that question in the Q&A section.

If you have subject specific questions, I advise you to contact the subject teacher, but if you are keen to get my take on them, please do still ask.

If you are unable to attend the evening, we are intending to record the session and send it out afterwards with the accompanying slides.

The meeting will take place on **Tuesday 7th October at 18:30**; we anticipate that it will be between 60-75 minutes long.

The teams link for joining the meeting is [here](#), and we will endeavour to send this in the 'mail drop' in the week prior as well.

The link to the form where you may submit questions in advance is [here](#).

I look forward to 'seeing' lots of you there.

Yours faithfully,

Miss John

Head of Learning for Year 10
