Dare to be remarkable

EDI Calendar

Dear Parent/ Carers,

You may recall the letter I sent out last year, emphasising our commitment to promoting an inclusive environment for all our students.

As we requested last year, we invite you to participate in this endeavour by providing us with dates of observance or cultural significance that hold importance within your family or cultural background. These dates will be included in our BHS EDI calendar. This invitation is not limited to religious days of observation but extends to awareness of days and any other events you deem significant. By incorporating a wider range of cultural observances and awareness days into our calendar, we aim to promote a more inclusive space where every student feels a true sense of belonging and inclusion.

To give context to the date and provide a learning opportunity: share a summary of the importance, history and the significance of your selected day or observance. Your contributions will allow us to educate our students and wider community and promote a deeper understanding and appreciation of the diverse traditions that make us the unique community we are.

To facilitate this process, we have created a simple form. We kindly request that you return the completed form at your earliest convenience. We are committed to recognising the cultural diversity within our school community, and we appreciate your contribution to this evolving journey. <https://forms.office.com/e/E1ngUvwd5S>

Thank you for your continued support and partnership in creating an inclusive and enriching educational experience for our students. We look forward to hearing from you and learning more about the observances that hold significance for you and your family.

Should you have any questions or require further information, please do not hesitate to contact me Anukem-C@beaconsfieldhigh.school

Yours faithfully,

Caroline Anukem
