Huge Congratulations to **Avleen, 6Q**, for her contribution to the Jeremy Lemmon project at The Globe in October in association with Harrow School. # Year 7 Singing Competition

On Thursday 16th October, the hall was alive with the sound of Year 7 battling it out for the annual Year 7 singing competition. In the rehearsals, they were able to see each other perform which led to some slight tweaks backstage during the evening. Blackman spent all evening rehearsing/ tweaking whilst Parks fueled themselves with sugar.

In between each house, we were treated to some wonderful solos and a duet. All the students who auditioned for this opportunity showed great courage, many of whom had never performed on a large stage. The lighting design was fantastic, with each house lit in their colours thanks to our wonderful technician, Jon Cole.

Well done to Parks on their victory, second place was Bhutto and third place was Blackman. We can't wait until next year!

# Chiltern Kills Crime Writers Festival 2025

Year 12 students were given the opportunity to volunteer at the Chiltern Kills Crime Writers Festival held in Gerrard's Cross on Saturday 4th October. Fourteen students went along and thoroughly enjoyed the experience. The volunteering included working backstage, making sure the speakers had microphones, going amongst the audience with a microphone during the question-and-answer sessions, ushering speakers from the entry gate to the green room and checking tickets. Before and after volunteering, students had the opportunity to listen to author talks and attend panels. Year 12 made such an excellent impression that they have been invited back next year!

Chiltern Kills was a very fun and engaging event. It gave me the opportunity to meet a lot of new people, and bond with some of my peers from school. I loved helping at the Marple Stage, which is where I met Eloise, who also happens to be a Becky High alumna. Everyone was incredibly kind and welcoming, and I've made many memories (Sree 6N)

I had a lovely time volunteering for Chiltern Kills last weekend, I helped to hand out goody bags, greet people, and set up the tables and chairs. I met lots of friendly people and had delicious food with some friends. It was an eventful (and windy) day which I very much enjoyed being a part of. I got a chance to look at the bookshop they had set up as well as spend some time in the back of some talks. Overall, the morning was a huge success! I would certainly be open to doing this again if the opportunity arose (Hana 6J)

# What's been happening this term?

## **Rosh Hashanah: A Sweet start to the year**

We began the academic year by marking Rosh Hashanah, the Jewish New Year, with a lunchtime presentation and tasting of traditional sweet treats. This celebration encouraged students to learn about the significance of renewal and reflection in Jewish culture.

## **Black History Month: Stories that Inspire**

This year's Black History Month assemblies took a powerful new approach, featuring a student-led panel discussion. Our senior EDI Prefects moderated heartfelt conversations as students shared personal stories and reflections on identity, culture, and belonging.

## **Diwali**

A special thank you to Prisha, Jiya, and Swetha (Year 9 EDI Champions) who led a vibrant and thoughtful Diwali assembly, shining a light on the themes of hope, renewal, and light over darkness.

Throughout October, our community reflected on several key awareness themes:

**World Mental Health Day:** We came together to recognise that mental health is just as important as physical health. Through assemblies and conversations, we encouraged each other to speak openly, listen compassionately, and dismantle stigma.

**Breast Cancer Awareness:** We wore pink with pride, celebrating courage, community, and hope and raising over £500 for charity.

**Down Syndrome Awareness:** We celebrated the beauty of individuality and inclusion, recognising that every person brings unique gifts to our school.

**Global Diversity Awareness:** We embraced the stories, perspectives, and cultures that enrich our BHS community, building empathy and global awareness.
