

## Unseen Talent

### Lily Targett

#### What is your role?

Reprographics and an occasional cover teacher.

#### How long have you worked here?

Just over two years, where has the time gone?

#### Where are you based?

In the office next to Learning Support, in the Tower Block.

#### Best thing about working at Becky High?

The lovely staff and students! They never fail to make me smile.

#### Life before Becky High?

I left school and studied for a Performing Arts extended level Btec for two years, I then went on to study for a HND in Photography for two more years. Whilst studying, I also trained as a lifeguard before deciding to focus on becoming a swimming teacher. I am still teaching children to swim alongside my work at Becky High. I enjoy both roles!

*I've been involved in performing arts since the age of 6 and have been in several TV shows and stage performances, including 'Missing' with Pauline Quirke and the opera 'Turandot' at the London Coliseum. I played the part of Turandot as a young child. The role involved acting and dancing, but no singing - sadly, I don't have an operatic voice!*
