I joined in June 2023.

I am based on the lower ground floor with a beautiful view of Maddy's Garden.

## Best thing about working at Becky High?

It's wonderful to see the commitment of members staff to the holistic success of our students.

## Life before Becky High!

My career began in a legal practice in a city firm in Shepherds Bush where I handled family and criminal law cases. This developed my advocacy skills before I moved into lecturing for educational institutions. This allowed me to continue navigating the intricacies of law while nurturing a growing family. As my children got older, I found myself drawn to more diverse opportunities which led to a sojourn in the civil service, where I gained experience in a range of esteemed organisations before joining BHS.

I was a professional dancer when I was 17! My sister and cousins formed a cultural dance group called Umuada which means first daughters in Igbo. I made all our costumes and our first performance was for Live Aid. I am also a qualified chef and I have done a TED Talk called Second Generation Black British.
