

Un^{ee}en Talent

with...

Iwona Batterberry

What is your role?

KS3 (years 7 - 8) Pastoral Admin Support and Year 6 Transition support.

How long have you worked here?

I have just started my second year having joined in September 2021.

Where are you based?

I am based in the Pastoral Hub overlooking Maddie's Garden

Best thing about working at Becky High?

I feel privileged to be working in a high achieving environment where the staff are welcoming and supportive. It's great to be part of our students' journey and to observe them grow and develop in confidence.

Life before Becky High!

For seven years, I ran my own company from home, helping small companies to streamline their administration processes and drive efficiencies. I worked in the computer and commercial property sector in a sales / contract negotiator capacity before leaving to become a full-time mum. I had a waffle-on-a-stick business in 2017 until Covid which came about when I visited a food festival and thought 'I could do this better'. I was further inspired by a trip to Belgium, after which my waffle business was born!

“

I have been on missionary trips to Uganda, Brazil and Paraguay and visited a project in the slums in Delhi which my family have supported over the years. In my youth, I was in a school band called The Fab 4 in which I played the double base!
