

Unseen Talent

Gwen Gill

What is your role?

Sixth Form Administrator.

How long have you worked here?

Six weeks in my current role, but previously I was on Main Reception in the Main Office where I worked for six months.

Where are you based?

In the Sixth Form (mainly silent!) Study Area.

Best thing about working at Becky High?

Every day is different. I am surrounded by amazing people both staff and students alike. I love my office in the SFSA as it's a great feeling to be even a very small part of the daily life of our sixth formers. I'm also a member of the Staff Choir which is an uplifting way to spend Wednesday lunchtime!

Life before Becky High!

After studying Economics at the University of Edinburgh, I joined the City on a graduate training scheme for (then) Kleinwort Benson. I worked in Investment Banking in London and Paris progressing to running a team of 10 bankers managing Corporate and Government relationships Europe wide. I lived in Paris for 3/5 days a week during my time at BNP Paribas. I also spent time in New York, Scandinavia and Switzerland during my career as a Banker. For the past decade I have worked for myself whilst bringing up my four children.

I played county and regional Lacrosse and competed for the City of Liverpool Swim Team whilst at school. I also played two seasons of lacrosse for Scotland during my university years. One of my proudest moments was running the London Marathon for the FIRST time at the age of 49, in a pretty decent time and raising a LOT of money for Pancreatic Cancer UK. I have signed up again this year....
