How long have you worked here?

I started part-time during the spring term 2023 and then full-time from summer term 2023

Where are you based?

I'm based in Learning Support at the bottom of the Tower Block.

Best thing about working at Becky High?

Definitely the people. Staff, students and families have been really warm and welcoming.

Life before Becky High!

I spent nearly 20 years teaching in a large, mixed, comprehensive secondary school on the outskirts of London. I moved through various roles as a teacher, Peripatetic Music Coordinator, Head of Department, Head of Year and SENCO. I also spent a year on secondment in a feeder primary school and continued working there for just over 10 years.

“

I actually trained as a secondary music teacher, but have taught a variety of subjects over the years including food technology and most recently, textiles since joining Becky High. One of my ex-students was part of the UK Eurovision entry performing with Sam Ryder in 2022.
