What is your role?

Business Director / jack of all non-teaching trades!

How long have you worked here?

Since May 2023 – so not long!

Where are you based?

I'm in the office next to the Assistant Headteachers' office.

Best thing about working at Becky High?

There is a lot of respect and warmth between the staff, and a real passion to achieve the best for the students, regardless of role. Something to be proud of!

Life before Becky High!

Before joining Becky High I was a School Business Manager (SBM) at an independent school in Staines for seven years. Prior to that, I enjoyed SBM positions in Edinburgh and Putney, and before that, I worked for the City of Edinburgh Council and HBOS. I have always worked in business support and customer service roles, and I get job satisfaction in helping or resolving things for people wherever I can.

I accidentally ended up on Spanish TV after unwittingly signing up to a karaoke competition with my friends, thinking it was just in a market square in Gibraltar. The irony being we called our group ‘Pride of Scotland’... and we were anything but!
