What is your role?

I am the school's HR and Recruitment Officer.

How long have you worked here?

I started in September 2023, so three months.

Where are you based?

In the HR and Payroll Office near the staff room.

Best thing about working at Becky High?

I get to meet with lots of different staff from across the school and everyone is very welcoming and friendly!

Life before Becky High!

I was a research director in a market research agency. I ran projects for clients such as John Lewis, Marks and Spencer and Virgin Atlantic, interviewing customers about their brands, products and services. During Covid, I decided to retrain in HR.

I was on a property TV show with Sarah Beeny when we were looking to buy our first home! I also have a real sweet tooth and enjoy eating my way around all the lovely cafes and bakeries where I live in St Albans.
