

# 60 SECONDS with

MRS VICTORIA WILLIAMS

*Head of the Politics Department*

## *What made you decide to be a teacher?*

I was (and continue to be) genuinely fascinated by history and this enthused me to encourage others to love the subject too!

## *What advice would you give your younger self?*

Don't try and perm your own hair!

## *If you had to eat one thing for every meal what would it be?*

My mum's lasagne with green salad and garlic bread - delicious!

## *If you had to be shipwrecked on a deserted island, but all your human needs—such as food and water—were taken care of, what two items would you want to have with you?*

I presume I can't say my family and dogs... I get very grumpy if I don't sleep well or can't have a hot shower... so may I have a bed and working shower?

## *Who would play you in a movie?*

My husband would like it to be Drew Barrymore - but I am a great fan of both Olivia Colman and Sally Hawkins as I think they are amazing actors.

## *Your favourite band or musician?*

I've never been very cool - but if I was chilling out, I listen to classic Motown: Sam Cooke, Marvin Gaye, The Temptations, Stevie Wonder... amazing!

## *If you could spend the day in someone else's shoes who would it be and why?*

I think it would have been the late Queen Elizabeth II - I'd love to know all her memories of and thoughts on all the PMs from Churchill to Johnson - she must have had quite an insight having her weekly meetings with them!

## *Why did you choose to work at Becky High?*

Students who are curious and enable you to do so many different activities within your teaching.
