MISS BROWN

Head of Year 11 and Dance Teacher

What made you decide to be a teacher?

After feeling there was a lack of opportunity in my own education, I wanted to support students with creative intelligence and show them how brilliant they are!

● *If you could change your name for one day, what would you change it to?*

● Daddy, then I wouldn't hear my name called 50 times a day by my toddlers!

● *What was the last podcast you listened to?*

● Dr Chatterjee's podcast - Feel Better, Live More. Such a brilliant podcast!

If you had a time machine, would you choose to go to the future or the past, and why?

The past - I'd either go back to when my Nan was alive and ask her loads more questions about her life or to when my oldest daughter was a toddler and spend more time with her and less time working!

If you had one day to do anything, what would you do?

Go and visit one of my three best friends. One lives in Ireland, one in Dorset and the other in LA so I don't get to see them much.

If you could only choose one song to play every time you walked into a room, what would it be?

Bandana by Fireboy DML and Asake - an afrobeats track that always puts me in a good mood! You have to dance when it comes on, it's impossible not to!

If you were an ice cream flavour which would you be?

Mint Choc Chip - cool but sweet!

Why did you choose to work at Becky High?

The students! They really are a special bunch! I feel very blessed to not only teach dance to such creative students but also support my Year 11s.
