

**LISA FLANAGAN**

DRAMA TEACHER

**WHAT MADE YOU WANT TO BE A TEACHER?**

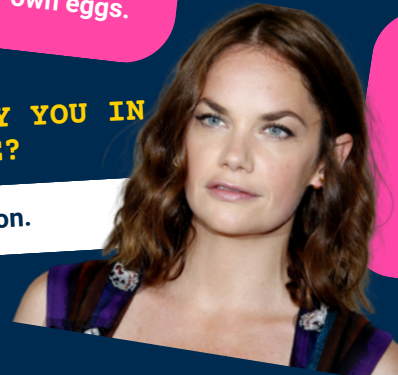

I used to visit lots of schools with my TIE company (Theatre in Education). I enjoyed working in schools and with young people so much that I decided to become a teacher.

**FIRST JOB?**

I had a Saturday job at Thorntons. I was in charge of icing messages on Easter eggs. My icing skills were (and still are) non-existent and so, on occasion, customers would step in to ice their own eggs.

**WHO WOULD PLAY YOU IN A MOVIE?**

Ruth Wilson.

**LAST THING YOU GOOGLED?**

Apple crumble recipes. I have an apple tree and too many apples.

**LAST GIFT YOU GAVE?**

A travel diary for a friend.

**WHY DID YOU CHOOSE BECKY HIGH?**

The students are amazing! They come to the classroom willing to 'have a go' which, for a subject like drama, is really important.
