

BEN KNIGHT

PHYSICS TEACHER

WHAT MADE YOU WANT TO BE A TEACHER?

I decided to be a teacher as I enjoy passing on knowledge. Before this was my career choice, I wanted to go into health physics working with machines in radiography.

FIRST JOB?

I worked in McDonalds. I prepared the food, but I often did stock take for the store as I was good at the logistical side of it. This regularly led to me hiding in the freezer on hot or slow days.

WHO WOULD PLAY YOU IN A MOVIE?

Simon Bird

LAST THING YOU GOOGLED?

Is Grampa Joe the villain in Charlie and the Chocolate Factory?

NETFLIX OR KINDLE?

Netflix, I am currently watching KAOS.

WHY DID YOU CHOOSE BECKY HIGH?

I chose Becky High because it felt like a school that cared about student well-being over exam grades, which I feel is really important.
