

CHARLOTTE CLARKE

PE TEACHER

WHAT MADE YOU WANT TO BE A TEACHER?

I was studying sports science at Loughborough, and had done a lot of coaching (and playing) during A-Levels and at uni. I enjoyed it so much, so I stayed an extra year to do my PGCE!

EAT ONE THING FOR EVERY MEAL, WHAT WOULD IT BE?

Probably smoked salmon, I love it. It is the best on some sourdough toast with avocado and tomatoes, but it's also great in salads and rice bowls.

WHO WOULD PLAY YOU IN A MOVIE?

Emily Blunt or Kate Hudson.

LAST THING YOU GOOGLED?

Gym Shark - they currently have a 50% off sale!

NETFLIX OR KINDLE?

It depends on the day for me. If it is a rainy Sunday, 100% my kindle. During the week I like to put Netflix on in the background - I'm rubbish at starting new series.

WHY DID YOU CHOOSE BECKY HIGH?

Becky High has such a lovely atmosphere, for students and staff. Everyone is lovely, and I am so happy to be working here!
