

Dear Parents and Carers

Welcome back to Becky High!

I hope this letter finds you in good health and high spirits as we embark on an exciting new school year. Whether you are returning to our school family or joining us for the first time in Years 7 and 12, we extend a warm and heartfelt welcome to each and every one of you. The start of a new school year is always a time of anticipation and enthusiasm, and it is no different this year. We are thrilled to be reunited with familiar faces and eager to welcome the newest members of our school community. Together, we will embark on a journey of learning, growth, and discovery.

I am delighted to return to my post as Headteacher following my maternity leave. I would like to extend my heartfelt thanks to Mrs. Holdsworth and Mr. Griffiths, our Deputy Headteachers, for the excellent leadership they provided for the school whilst I was away.

This morning, it was my pleasure to speak to every student during our 'welcome back' assembly. I reminded them of our school vision—to be happy and high-achieving—and encouraged them to embrace their student power. I spoke about how they shape the community they want to see: one that is respectful, kind, and supportive. We expect every one of our students to contribute to making a happy community, where kindness and respect are the norm. It is creating the 'happy' school environment that enables students to achieve so highly here, and every student and staff member plays their part in this.

Mr Griffiths also spoke to students to remind them of the vast amount of support available to them from teachers, tutors and other staff. The message was: talk to us, we can only help when we know there is a need. We are all here to support them every step of the way, and we know they are going to achieve remarkable things this year.

On a continued note of kindness and respect, I must ask for your cooperation during school pick-up times. We've already experienced some unpleasantness, with horns honking and discourteous behaviour. Please remember that my staff are not traffic officers, and they are not in a position to control the road markings, widen the streets, or ensure driver courtesy. That responsibility lies with all road users. I kindly ask that there is no stopping, parking, or picking up from our bus stops, as doing so causes congestion. We know the congestion is frustrating and we ask for your patience. We are

anticipating there will be changes to the road markings in the near future, which those responsible for road traffic in the county council, tell us will help the situation.

Looking ahead, we are excited for the school year ahead and the many events coming up this term, including our Parent Welcome Evenings, the School Open Evenings, the Carol Concert, and the Christmas Fair—just to name a few! Please keep an eye on our new school website for more information on these events and other important updates.

Below I have summarised some of the highlights from this short week. Please ensure you read it so that you don't miss important information about life at school.

Life at Beaconsfield High School this week:

Year 7 had a fantastic three days and we were pleased to see smiles throughout, despite the nerves about such a change. They also had their summer camp during the holidays, a shared experience that enabled them to build friendships and gain valuable life skills that will serve them well.

This week, we were thrilled to welcome 209 Year 12 students to our Sixth Form. These first few days have been focused on settling in, getting to know one another, and meeting their teachers. They've also started to explore the subjects they've chosen to study in greater depth, marking the beginning of an exciting academic journey. To kickstart the year with some fun and teamwork, they will soon be heading to London for a team-building treasure hunt – a great way to bond with their peers!

Celebration

I am pleased to announce that our students have once again achieved remarkable results in their GCSEs and A-Levels. Their hard work, dedication, and the unwavering support from parents and teachers have contributed to these achievements. We are committed to maintaining this high standard of academic excellence in the coming year and beyond, ensuring that our students are well-prepared for their future endeavours.

Uniform

A reminder to all parents/carers and students that our school uniform policy remains in effect. We kindly request that students adhere to the dress code. Proper school attire not only fosters a sense of belonging but also helps create a focused and respectful atmosphere within our learning community. You can read our uniform policy [here](#).

Communication

We are committed to maintaining open lines of communication with parents and carers. We recognise the vital role you play in your child's education, and we value your partnership. Please do not hesitate to reach out to our staff, teachers, or administration with any questions, concerns, or feedback you may have. Together, we can ensure that your child has the best possible educational experience. You can find our communications guidance on our website [here](#).

New website!

We are delighted to announce the launch of our remarkable new website which went live on Tuesday! The old website address still works, and will direct you to the new website, but the new website address is www.beaconsfieldhigh.school. We hope you'll agree that it's much more user friendly for both prospective and our current parents.

Second-Hand Uniform Shop:

The parent team who run this vital service are looking for a few more volunteers to help run the shop on Friday lunchtimes during term time. The role involves one lunchtime every half term (less if more people volunteer), and depending on school timetable, the opening times are 12:30-13:30 or 13:30-14:30, though you need to arrive 10 minutes before the shop opens to set up. It's a lovely way of helping out, you get to speak to our students and get to know other parents as you run the shop in a pair. If you can help, [please email Roop](#).

Key Dates and Reminders:

Year 7 Meet the Tutor – 10th September, 6pm

Year 12 Welcome Evening – 12th September, 6pm

Open Evening – 25th September

With very best wishes for a wonderful weekend,

Tina Bond

Headteacher

Dear Parents and Carers,
