

THANG TU

LATIN TEACHER

WHAT MADE YOU WANT TO BE A TEACHER?

Because no other job would let me talk about Classics and languages as much as I get to now!

FIRST JOB?

Not sure if this counts, but I used to be in a soul band at university and I got paid for gigs. On one occasion, I even got to play on a boat in the middle of the Thames!

WHO WOULD PLAY YOU IN A MOVIE?

The Hong Kong martial arts film star and director, Sammo Hung (but specifically him from the 1980s!)

FAVOURITE BAND/MUSICIAN?

I go through phases of listening to different artists and genres, but I always seem to return to The Beatles - Rubber Soul is just comfort listening to me.

IF YOU COULD CHANGE YOUR NAME, WHAT WOULD IT BE?

Cogidubnus

WHY DID YOU CHOOSE BECKY HIGH?

It's one of the few state schools teaching Latin in the country, and the staff and students are all so bubbly! Also, Mr Connor.
