

MRS GREGORY

SPANISH TEACHER

WHAT MADE YOU WANT TO BE A TEACHER?

Having spent 15 years working in advertising (and having a blast!), I missed my languages and wanted to get back to them. Having my own kids also made me want to invest more in the younger generations coming through.

FAVOURITE SMELL?

Freshly made chapatis. My Grandma used to make me a special small one, sprinkle sugar in it and then roll it up for me to eat warm.

WHO WHATSAPPED YOU LAST AND WHAT ABOUT?

A parent RSVP-ing to my daughter's birthday party. I am a PA to my two daughters in my spare time.

FAVOURITE WORD?

Quisquilloso - it means 'fussy' in Spanish and I think it sounds fussy itself.

WHAT IS THE LAST GIFT YOU GAVE SOMEONE?

A Pokémon Lego set.

BIGGEST PHOBIA?

Giant spiders. I am unashamed to say I find other people (my husband) to deal with them.

WHY DID YOU CHOOSE BECKY HIGH?

Bright and brilliant students keen to learn, friendly staff and an MFL department passionate about languages and how to teach them. It was a no-brainer.
